

## Complete Commerce Services Designed for Growth

### The 360 Approach to Drive Global Growth

### Your Complete Ecommerce Solution - Delivered

More than just a systems integrator and more than just a payments solution, BORN and Digital River respectively combine to deliver a seamless integration of your back-office solution with the services to drive your growth in a holistic way.

Together, Born and Digital River deliver a seamless full-service end-to-end solution to enable you to maximize opportunities and enter new markets rapidly.

# BORN

BORN Group, a Tech Mahindra company, is an award-winning global agency that focuses on Enterprise, Commerce, and Experience Design, with over 500 digital transformations under its belt in over twenty end markets that cover B2B and B2C segments.

BORN Group is one of the largest agencies in the customer and brand experience space with offices and operations in eight countries. BORN combines ten specialisms to produce high performing digital assets.

## Digital River®

Far more than a payment gateway, Digital River's extension is a complete global payments, fraud, tax, and compliance solution for your online store.

We reduce your risk and complexity faced when going global by allowing you to transact locally with our Onshore Advantage™.

In this complete business offering, Digital River enables you to sell globally, more quickly and with less cost.
